Dear Parents and Families

Please find attached the provisional Easter Holiday Revision Sessions timetable. The sessions will run from 9:10 to 3pm on Tuesday, 3rd April to Friday 13th April.

As you will see, there are numerous sessions on offer covering a wide range of subjects. We encourage all our students in Year 11 to take advantage of the opportunities available and ensure they improve their chances of success in the summer examinations.

The timetable will be finalised over this coming week and posted on our website. **Students will be invited to specific sessions by their subject teachers.** The teaching and learning staff at Rye College and Studio School have given up considerable amounts of time to provide additional revision and learning sessions.

We ask that students adhere to the following expectations:

- Students must arrive on time
- Students must remain in the session rooms and not wander the main site
- Students are required to sign in and out with the session leader
- Students must behave in an appropriate manner
- Students are not required to wear uniforms
- Students will need to bring their own food and drinks for the sessions
- Students failing to comply with these expectations will be asked to leave immediately

The examination season is fast approaching and we are all focusing on the final push towards them. We expect all students to be revising at home alongside their normal day-to-day school work. We have made advice available on the website for general revision approaches and subject specific strategies: <https://www.ryecollege.co.uk/students/revision>.

In the meantime, if you have any concerns or wish to contact specific subject teachers to discuss your child's current progress and what you can do to help, please contact us via the Office (office@ryeacademytrust.org).

Yours sincerely

Mr D Downes
Deputy Headteacher
