Dear Parents and Families,

RE: Updated Arrangements at Rye College and Rye Studio School.

I write to you to update you on some recent developments regarding personnel changes at Rye College and Rye Studio School. You will be aware that we have been reviewing the structure to bring together the management across the trust.

We would like to take this opportunity to remind you, all year 11 students should now be working towards their UCAS applications for progression. Students should have attended specific career interviews to ensure they understand the process and opportunities for them. If however, they were unable to attend this meeting, they should contact their tutor to ensure this is rearranged.

To continue to provide consistency, your first point of contact is the students' tutor; however for subject specific queries please refer them to the relevant teacher/learning coach. This contact can be made by emailing office@ryeacademytrust.org or using our single point of contact 01797 222545.

In addition, Mrs Leah Greenough is Head of Quality for Year 13 and 11 and Miss Rachael Street for Year 10 for any broader questions relating to teaching and learning, please contact them directly using the email addresses below:

leah.greenough@ryeacademytrust.org or rachael.street@ryeacademytrust.org

Furthermore, I would like to draw your attention to key dates in the near future:

Year 10 Parent and Family Evening – 15th November

Year 11 Parent and Family Evening – 23rd November

I would like to reiterate the focus on creating a positive learning environment to allow the students to achieve their potential.

With thanks,
